BARBARA RICHMOND MORAN

MEMORIAL SCHOLARSHIP

“We are all put on this earth for a reason. We have a particular job to do. Barb’s job was to teach; and not just her students. She taught people the meaning of courage, determination, positive attitude, and most of all, she taught the true meaning of “living life to the fullest”, no matter what hand life deals you.” Dave Moran (2012)

Barb Richmond Moran was always passionate about being active and staying fit. She demonstrated this love for physical activity and health throughout her entire life. THE BRITTANY MARIE WALROTH MEMORIAL SCHOLARSHIP

The person, for whom the scholarship is named, Brittany Marie Walroth, was a 2004 graduate of General Brown High School. She was a cheerleader for the GB Lions since fifth grade with the Pop Warner. Her squad took the Championship trophy in 2003. She was an energetic, loving, hardworking young lady who was tragically killed in a car accident in July of 2010. Brittany was a wonderful daughter, friend, wife and aunt and cared a great deal about people. These traits lead her into a job of helping with children.

Brittany worked for the YMCA in the SACC program starting in her junior year until she was called to work at Fort Drum's Child Development Center in 2006. Brittany was a positive role model and spoke of helping children with learning disabilities, like herself. Through Brittany's education, supportive services were essential to allowing her to reach her academic potential. Therefore, we know she would be honored for this scholarship to be given in memory of her. We would like to encourage an energetic individual who cares to follow their dreams.

This scholarship fund has been instituted in her memory. Money raised from donations and events has been deposited in an interest bearing account.

DICK P. CASE MEMORIAL SCHOLARSHIP

Dick P. Case was born March 19, 1919. He graduated from Dexter High School in 1936. After school Dick entered Ithaca College and graduated in 1941 with a Bachelor in Science with a major in music education.

In November 1945 Dick began his teacher career in Dexter when he became supervisor of instrumental and vocal music at Dexter High School. When the merger of the Dexter and Brownville schools took place, Dick held the same position in the new General Brown Central School District.

During his teaching career, Dick continued his education, receiving his master's degree from Ithaca in 1950 and another masters from St. Lawrence University in 1953. Dick not only held a teaching license, but also was certified in guidance and administration.

Over the years the General Brown music program became one of the strong points in the school's program. Mr. Case taught his students discipline and responsibility. Many of his pupils became accomplished musicians in their own right. He was highly esteemed by his fellow workers and the citizens of the General Brown community.

In the spring of 1978 Dick Case announced his retirement from teaching. This news saddened all who knew Dick and was accepted with regret by the General Brown Board of Education. We were all happy to see Dick able to enjoy a well-deserved retirement, but it was all too short. On Saturday, February 3, 1979, Dick died. As a tribute to Dick, the General Brown High School suspended operations on Monday morning, February 5th, as all staff attended his funeral and said a last goodbye.

1. Be a member of the General Brown Senior Class
2. Be an active member of the General Brown Band
3. Have applied to an institution for advanced study

Member(s) of the Dick P. Case Memorial Band

This scholarship selection committee will be designated and convened by the High School building Principal. In the event the committee feels further information is needed in addition to the application, applicants should be prepared for and interview.

The recipient will be announced at the annual General Brown commencement exercises.

The scholarship will be awarded by check to the financial aid office of the college once the recipient is enrolled.

THE SAM JOHNSON MEMORIAL SCHOLARSHIP FUND

Sam Johnson for whom this scholarship is named was the chief of police for the village of Dexter, NY for 12 years. He performed his many duties as a police officer with dedication and devotion, making our village a safer place to live. Whenever an emergency arose, Sam was always there to provide assistance.

Yes, he was firm in his convictions but he was fair in his decisions. He loved his job, making many friends along the way. He earned our respect and will be missed by all those he touched, especially our youth.

Following his untimely death on September 11, 1987, his many friends felt it only proper that his memory live in the form of a scholarship. The scholarship is to be awarded annually to help a needy General Brown Senior attend Jefferson Community College in the Criminal Justice Department.

It is our hope that one day, a scholarship recipient will return to follow in Sam's footsteps.

The scholarship will be awarded annually for two consecutive years to the chosen and qualified recipient beginning with the fall semester in 1988.

The total scholarship value for the first year will be the interest earned as of that date. Hopefully, it will be worth \$125.00.

In the event the recipient fails to complete their first (freshman) year, transfers to a different department or to another college, the recipient forfeits their second year eligibility.

If this were to occur then a one-year scholarship may be awarded to one of the two runners-up of the previous year in the order chosen, who has successfully completed his/her freshman year in the Criminal Justice Department at JCC.

In the event there are no eligible candidates for the freshman award, a one-year scholarship may be offered to one of the two runners-up of the previous year in the order chose, who has successfully completed his/her freshman year in the Criminal Justice Department at JCC.

After the first year the amount of the two scholarships will be the total interest earned for that year divided by two. Ex: If the total interest earned is \$250.00, each scholarship will be worth \$125.00. If \$300.00 is earned each scholarship will be worth \$150.00. Interest rates will vary, consequently, the scholarship amounts will vary.

Qualification of Candidates

1. General Brown Senior
2. Accepted at JCC in the Criminal Justice Department
3. Must have completed the application by March 1st

Scholarship Committee

Consist of at least three and not more than five individuals associated with the administration of the scholarship fund.
